Education

University of South Florida
Tampa, Florida
Graduate Certificate in Evaluation
August 2012

University of South Florida
Tampa, Florida
MA in Education: Curriculum & Instruction
December 1991

Eastern Nazarene College
Quincy, Massachusetts
BA in Social Work
May 1979

Current Position

August 2005 – Present
Assistant in Research (Faculty)
Department of Child and Family Studies
Louis de la Parte Florida Mental Health Institute
College of Behavioral and Community Sciences
University of South Florida
Tampa, Florida

October 2013 – Present

Campus Suicide Prevention Project (SAMHSA)

Co-Principal Investigator & Training Coordinator. Strategically engage and work with various USF departments and centers such as Psychology, Social Work, Health, Wellness Centers, and the Joint Military Leadership Center as well as with non-profit community mental health agencies. Efforts will focus on preparing the USF campus for the identification of at-risk students by putting protocols and systems in place to effectively respond to at-risk students. Gatekeeper training will also be deployed to identify at-risk students and an appropriate resource network will be established to respond to referrals.

April 2013 – October 2013

Veterans Suicide Prevention Training Module Development

Co-developer with USF's Department of Mental Health Law and Policy to create, pilot, and release an online suicide prevention training module for Peer Helpers in the Veterans Administration Community Integration Project.

July 2013 – June 2014

An Examination of Evidence-Based Practice Utilization Within Florida's Child Welfare Prepaid Mental Health Plan Services for Children (part 2)

Project team member. Assist with protocol development, data collection, and report writing.

July 2013 – June 2014

Family Involvement in Statewide Inpatient Psychiatric Programs (SIPP): Travel Time, Visits, and Outcomes Out of Home Care Alternatives

Project team member. Assist with protocol development, data collection, and report reviewing, editing, and writing.

November 2010 – Present

Community Suicide Prevention Training

Co-Principal Investigator. Co-developed training curriculum and workbook for interactive, community suicide prevention training. Conduct workshops on suicide prevention.

September 2012 – December 2012

An Examination of Evidence-Based Practice Utilization Within Florida's Child Welfare Prepaid Mental Health Plan Services for Children

Project team member. Assist with protocol development, data collection, and report writing.

March 2012 – June 2012

Scott County, Iowa's System of Care Practice Review Evaluation

Principal Investigator. Complete an on-site evaluation of the current status of the children's system of care in Scott County, Iowa. Work with key county individuals to develop local evaluation capacity as the community continues to implement and improve its system of care for children and families.

October 2009 – July 2012

Evaluation of Medicaid-Funded Out-of-Home Alternatives

Project team member. Assisted with development of trauma-informed care training, and served as trauma-informed care learning collaborative faculty member. Conducted monthly survey of Learning Collaborative participants, organized monthly conference calls, and participated with trauma-informed care information presentation during learning collaborative meetings.

December 2010 – September 2011

Youth Suicide Prevention School-based Guide Adaptation

Principal Investigator. Lead on development team for Orange County, New York version of the Youth Suicide Prevention School-based Guide.

December 2010 – September 2011

BayCare Trauma-Informed Care Learning Collaborative

Project team member. Serve as trauma-informed care learning collaborative faculty member.

July 2009 - July 2010

Civil Commitment of Operation Enduring Freedom/Operation Iraqi Freedom (OEF/OIF) Veterans

Principal Investigator. Determine veteran's utilization of Baker Act facilities and factors leading to involuntary assessment in central Florida. Create interview protocol, develop and implement new data collection tool.

July 2009 - June 2010

The Youth Suicide Prevention School-based Guide: An Evaluation

Principal Investigator. Assess impact of the suicide prevention-planning tool. Develop and implement data collection tool, conduct focus groups, and complete data analysis.

October 2009 - January 2010

SAVE School-based suicide prevention literature review

Conduct School-based suicide prevention literature review for Suicide Awareness/Voices for Education as part of application for National Registry for Evidence-based Programs and Practices (NREPP).

October 1, 2008 - September 30, 2009

Financing Structures and Strategies to Support Effective Systems of Care (Mary Armstrong, PI)

Project Coordinator. Project documented a variety of financing structures/strategies used by states and regional areas to enhance systems of care. Edited reports, integrated multiple components into single report, coordinated conference presentations, and facilitated team communication.

April 2009 - August 2009

Baker Act Training 2009-2011 (Roger Peters, PI)

Project team leader. Developed an online suicide prevention awareness and risk assessment training module for Baker Act facility staff. Created content, edited online version, developed test questions, and facilitated team communication.

July 1, 2007 - September 30, 2008

Statewide Suicide Prevention Implementation Program (funding from the 2007 Florida Legislature)

Principal Investigator. Developed, in coordination with the Office of Suicide Prevention, a comprehensive suicide prevention program to implement the State Suicide Prevention strategy with the intent to reduce the suicide rate in the state of Florida. Project focused on four major content areas: social marketing, training, community capacity building, and

specific interventions. In addition, an overall emphasis will be on the organizational and implementation structures and processes to sustain the initiative in local communities.

July 1, 2007 – August 30, 2008

The Relationship of Suicide Death to Baker Act Examination, Client Characteristics and Service Use Patterns: A sub study of FMHI / AHCA - Medicaid Behavioral Health Studies

Principal Investigator. Conduct a secondary analysis of existing data sets (Medicaid, Baker Act and SAMH/IDS) to identify people who were hospitalized for a suicide attempt and those who died by suicide during 2004-2006. The research team examined a number of characteristics of the individuals themselves, patterns of service use (mental health and substance abuse) in a period before and after the attempt and prior to the death by suicide.

July 1, 2007 through June 30, 2008

Iowa System of Care (SOC) Evaluation and Consultation

Principal Investigator. Provide consultation on the Northeast Iowa Children's Mental Health Initiative (CMHI) evaluation component, complete a multi-site evaluation of the current status of Children's system of care in Iowa, and work with key individuals as Iowa continues to implement and improve it's system of care for children and families.

September 2006 – August 2007

Evaluation of the BETH (Become Educated To Help) Program

Principal Investigator. Coordinate grant funded by the Beth Foundation. Evaluate the attainment of suicide prevention knowledge and the willingness to intervene post-training of Gatekeeper trainees. Evaluate impact of two communities' national suicide prevention hotline public awareness campaigns.

March 2005 – June 2007

Impact Evaluation of Primer Hands On Training

Project Director. Conduct impact evaluation of Primer Hands On Training in collaboration with the Human Service Collaborative and the National Technical Assistance Center for Children's Mental Health at Georgetown University. Assess ways in which Primer Hands On training is being utilized and the impact in trainees' local communities.

July 2006 – June 2007

A Study of the Quality of Children's Behavioral Health Services within Florida's Behavioral Health Managed Care Plans Services

Team member exploring the effect that implementation of the Medicaid waiver has on quality of care for children and families in Orange, Osceola, Seminole, and Brevard Counties. Crafting survey forms, creating survey methodology, coordinating data entry, and survey implementation management.

July 2006 – June 2007

Evaluation of Community-Based Care and Title IV-E Waiver Implementation

Team member conducting the statewide evaluation of the implementation of privatized child welfare services (i.e., community-based care) and Title IV-E Waiver Implementation (for child welfare services) in the State of Florida.

September 2006 – June 2007

PACE Institute – Spirited Girls Curriculum Evaluation

Developed framework and tools for the ongoing evaluation of the PACE Center for Girls’ “Spirited Girls” curriculum.

November 2005 – September 2006

Evaluation of a Suicide Prevention Gatekeeper Training Program

Principal Investigator. Coordinate grant funded by the Beth Foundation. Evaluate the attainment of suicide prevention knowledge and the willingness to intervene post-training.

May 2005 – May 2006

Florida Suicide Prevention Pilot Project

Co-Principal Investigator. Coordinate and collect information regarding school-based mental health screening programs in three states through interviews. Provide information for analysis that will aid in creating a new communications tool kit. The project team will evaluate differences in parental consent rates through pilot implementation of the new communications tool kit.

July 2005 – June 2006

A Study of the Quality of Children’s Behavioral Health Services within Florida’s Behavioral Health Managed Care Plans Services

Team member exploring the effect that implementation of the Medicaid waiver has on quality of care for children and families in Pinellas and Pasco Counties. Conducting interviews, file reviews, data entry, and project management.

October 2004 – December 2005

Brown County System of Care Development

Principal Investigator. The project’s focus is to assist Brown County, Wisconsin with their development of a coordinated system of care for children’s services. Provide technical assistance with other team members to the county, assess clinical practices for co-occurring disorders for children, provide training to improved parent involvement, and offer feedback and suggestions for recommendations received by other consultants.

July 2005 – June 2006

Evaluation of Community-Based Care

Team member conducting statewide evaluation of the implementation of privatized child welfare services (i.e., community-based care) in the State of Florida.

Previous Positions

August 1997 – August 2005

Coordinator: Research Programs/Services
Department of Child and Family Studies
Louis de la Parte Florida Mental Health Institute
University of South Florida

Administered projects and grants as Principal Investigator and project coordinator roles. Primary focus of research expanded from primarily child welfare to include suicide prevention. Presented and spoke at conferences, meetings, and trainings.

January 1994 – August 1997 Coordinator: Education and Training Programs
Department of Child and Family Studies
Louis de la Parte Florida Mental Health Institute
University of South Florida

Coordinated division technology needs; provided technical assistance; evaluated Florida Child and Adolescent Service System Program; coordinated training grant with State of Nebraska; served on consulting team and as pilot test reviewer for case study methodology designed to evaluate the Children's Plan Outcome and Review Team (C-PORT) for the Tennessee Commission on Children and Youth; assisted Division Director with implementation of contracts and grants; represented Division to Department on technology committee and administrative function group; trained and developed training for special contracts and grants.

August 1993 – November 1994 Consultant
Kids in Distress
Wilton Manors, Florida

Provided on-site consultation twice per month and on-going telephone consultation for married couple and assistants implementing the Teaching Family Model; reviewed treatment documentation; conducted group home visits, assisted and supervised treatment planning; submitted written feedback on site visits, treatment reviews, and treatment planning. Assisted administrative staff with program development, recruiting, screening, and interviewing potential group home and program staff, conducted training during pre-service workshop for new Teaching Parents and Alternate Teaching Parents.

September 1989 – January 1994 Training Specialist
Department of Child and Family Studies
Louis de la Parte Florida Mental Health Institute
University of South Florida

Provided technical assistance to local initiatives implementing the Florida Child and Adolescent Service System Program, evaluated Family Services Planning Teams, assisted in completing desktop publishing tasks for the department, contributed to preparation for national annual research conference, maintained, updated, and distributed statewide directory of Family Service Planning Teams and contacts.

May 1991 – August 1991 Consultant
Kids in Distress
Wilton Manors, Florida

Provided on-site consultation twice per month and on-going telephone consultation for married couples and assistants implementing the Teaching Family Model, reviewed treatment

documentation, conducted site visits, assisted and supervised treatment planning, submitted written feedback on site visits, treatment reviews, and treatment planning. Assisted administrative staff with program development, recruitment, screening, and interviewing potential staff.

November 1984 – August 1989 Director of Evaluation
Florida Teaching Family Project
Department of Child and Family Studies
Louis de la Parte Florida Mental Health Institute
University of South Florida

Supervised, coordinated, tracked, and conducted evaluation activities for married couples who implemented the Teaching Family model throughout Florida. Recruited, interviewed, and trained couples and assistants for Teaching Family group homes. Designed and presented in-service training.

November 1983 – November 1984 Trainer/Consultant
Florida Teaching Family Project
Department of Child and Family Studies
Florida Mental Health Institute

Provided on-going training and consultation activities for married couples and their assistants who implemented the Teaching Family model treatment in group homes for severely emotionally disturbed children. Conducted administrative activities such as recruiting couples for group homes and participated as treatment team leader.

August 1981 – November 1983 Assistant Family-Teacher
Father Flanagan's Boys' Home
Boys Town, Nebraska

Assisted Family-Teaching couple to develop and implement a teaching-treatment plan for each youth. Provided behavioral feedback to adolescent boys in a family style living situation. Equipped youths with socially acceptable skills necessary for them to live independently or return to their natural home. Communicated written and verbally with parents and agencies. Completed reimbursements for group home finances.

September 1978 – June 1981 Dormitory Supervisor
The Boston School
Randolph, Massachusetts

Supervised children who were deaf and aphasic in residential setting, counseled youths, developed group planning sessions, taught life skills, tutored, counseled parents, assisted in intramural sports, attended on-going sign language classes.

Honors

Gubernatorial appointment to Florida's Suicide Prevention Coordinating Council (2007-11)

| [Inducted into the “2008 Who’s Who of Prevention Leaders in Florida”](#)

Gubernatorial re-appointment to Florida’s Suicide Prevention Coordinating Council (2013-15)

Principal Investigator: Evaluation of a Suicide Prevention Gatekeeper Training Program. \$6,000. The Beth Foundation, Inc. 2004.

Co-Principal Investigator: Replication and Evaluation of a Suicide Prevention Gatekeeper Training Program. \$14,046. USF Collaborative for Children, Families & Communities: Faculty Grant Program. 2003/04.

Principal Investigator: Home and Community-Based Services Waiver Evaluation in Florida: Murray versus Auslander. \$177,515. Florida Office of the Attorney General. 2001/02.

Principal Investigator: A Record Review Study of District 10 Foster Children – Part II. \$134,375. Florida Department of Children and Families. 1999/00.

Consultation

Consultant and Reviewer: Orange County Suicide Prevention App Development Project. Goshen, New York. March – November 2014.

Field Reviewer hired by The CDM Group, Inc. April 2008: for Center for Substance Abuse Treatment. *Addressing Suicidal Thoughts and Behaviors in Substance Abuse Treatment*. Treatment Improvement Protocol (TIP) Series 50. HHS Publication No. (SMA) 09-4381. Rockville, MD: Substance Abuse and Mental Health Services Administration, 2009.

Review Panel Member: The Frameworks Suicide Prevention Project: Threats and Attempts. New Hampshire. September – October 2004.

Mentoring

Mentored Taiwanese Visitor during one-month visit on issues of suicide, suicide prevention, and mental health interventions. November 2007.

Teaching Experience

Fall 2011 to Present

Instructor: Behavioral Healthcare Issues for Children (MHS 4490 USF)

Provide an overview and understanding of significant issues and trends in behavioral healthcare for children.

Spring 2007 to Present

Instructor: Suicide Issues in Behavioral Healthcare (MHS 4463 USF)

Designed class to review major suicide and suicide prevention topics with supporting research.

Spring 2013, 2014, & 2015

Special Guest Instructor: Psychosocial Aspects of Physical Therapy Practice (PHT 7402 USF)

Familiarize physical therapy graduate students with suicide awareness and suicide prevention information.

Fall 2012

Special Guest Instructor: Children's Mental Health Services (PHC 6544 and MHS 6900 - USF)

Familiarize graduate students with suicide awareness and suicide prevention information.

Fall 2010

Instructor: Research and Statistics (SOW 3401 - USF)

Familiarize students with research as it is practiced in the social work profession.

Introduce basic methods of social research with emphasis on applicability and utilization in fields of social work practice.

Fall 2010

Special Guest Instructor: Research and Statistics (SOW 6305 - USF)

Familiarize Clinical Social Work students with Suicide and Suicide Prevention.

Fall 2009

Special Guest Instructor: Children's Mental Health Services (PHC 6544 and MHS 6900 - USF)

Presented youth suicide and suicide prevention information.

Summer 2009

Special Guest Instructor: Psychological and Physical Consequences of Trauma (PHC 6934 and MHS 6900-002 - USF)

Presented suicide prevention information and trauma related issues.

Summer 2005

Instructor: Directed Study. Suicide Assessment Tools Review (USF)

Designed class to aid student in review of major suicide assessment tools with strengths and weaknesses of supporting research.

Fall 2003, Fall 2005

Guest lecturer on Learning Styles and the College Freshman (USF)

Presented perceptual learning styles framework and tool for assessment to enhance the academic and social integration of first-year students at USF.

1999 - 2005

Instructor: The University Experience. Freshman Orientation Course at USF (2 credits)

Course designed to enhance the academic and social integration of first-year students at USF. Lead seminars and small groups to discuss purposes of higher education, structure and functions of USF, overview of the processes of career planning and selecting a major, study skills, and managing out of class time.

1996 - 1997

Volunteer Instructor: The University Experience. Freshman Orientation Course at USF

Course designed to enhance the academic and social integration of first-year students at USF. Lead seminars and small groups to discuss purposes of higher education, structure and functions of USF, overview of the processes of career planning and selecting a major, study skills, and managing out of class time.

Service

Invited reviewer for Sage Open, Sage Publications Inc.

Invited reviewer for International Journal of Psychology and Counselling, AcademicJournals.

Invited participant of Florida Representative Kathy Castor to the Veterans' Roundtable on Suicide Prevention and Treatment (October 2014)

American Association of Suicidology's Annual Conference Submission Reviewer (Prevention Division) (2013 – present)
