

**Mario Hernandez, PhD**  
Chair, Department of  
Child & Family Studies  
mariah@usf.edu

**Julie Serovich, PhD**  
Dean,  
College of Behavioral &  
Community Sciences

*The USF College of Behavioral & Community Sciences and the Department of Child & Family Studies (CFS) are committed to providing high quality academic programs, leading edge research, and the active engagement of community partners in teaching and research endeavors. Current CFS academic offerings are:*

## Master of Science Degree in Child & Adolescent Behavioral Health (MSCABH)

Available fully online! The program prepares students and professionals to serve in public and non-profit agencies and schools that work with diverse children and adolescents experiencing behavioral health challenges and their families. Four concentrations are available:

- Developmental Disabilities
- Leadership in Child/Adolescent Behavioral Health
- Research and Evaluation
- Youth & Behavioral Health

Contact Bruce Lubotsky Levin, DrPH
