Partnering with Families to Promote their Child's Social and Emotional Development

Presented by Drs. Lise Fox & Chris Vatland

Florida Center for Inclusive Communities (FCIC), College of Behavioral & Community Sciences, University of South Florida

Do you want to help families know what to do to promote the social, emotional, and behavior skills of their young children?

Expand your family support toolbox:

- Learn about proactive strategies that can be helpful in engaging families
- Learn best practices that can be used by parents to support social and emotional development in the home and community
- Receive materials that you can share with parents in your program

The training is free, but registration is encouraged. Please register at <https://www.surveymonkey.com/s/partnering-with-families>
